To The Heard Family, It saddens me to read about Nathan's passing. Something that helps me cope is found in the bible. It assures us God is near to those that are broken at heart and those who are crushed in spirit he saves. (Psalm 34:18) More than anything else, a relationship with God can help you to cope with the death of someone you love. May he be with you in this difficult time. I hope you find comfort in these words.
