There are so many memories! Too many to recall a favorite! You will be forever missed! You were always there if I needed help with a computer & on more than one occasion I know you slapped your forehead & thought "really Dingbat"?!!! So much knowledge, your love of history & travel & doing things in a round about way! It all made you who you were & I am blessed to have been part of your life!! I will miss having an email that begins "Hey Dingbat" & no one will ever call me that again! Rest in peace! You were very loved!
