Candace Welsh posted:

Papa, you were a man of few words, most times, just like my daddy. But, you would sit back, relax and watch our family and just smile, sometimes even tear up because you were so easily blessed and happy to be around family and friends. You were an amazing man, a hero, a loving husband, daddy, papa and great papa. I miss you terribly, but I am so glad I spent your last days with you and nana. I hate that you were suffering in so much pain, but you are free now! I love you to the ANGELS! Please, protect my husband, babies and I as you become our guardian angel. Give auntie Kathy a big kiss! Love you forever, Candace, Dustin, Hayden, Hunter and Holdyn Welsh
