To my Trujillo Family: I'm so sorry we couldn't make it out to be there with you all...I have nothing but great memories of Uncle Ronnie always with his big smile, singing with his guitar or giving pointers to the Cousins on the ballfields. I'll cherish those memories and I will always remember his passionate love for his family and for his Savior, Jesus Christ. It's hard being away from the family especially during these painful times, but it's also great to know that you guys have each other to lean on. We love all of you and we will continue to pray for comfort for the family. Alex (Augie), Emily, Miriam, Judah, Marco & Roman

Aly and I are not able to attend Uncle Ronnie's service but I wanted to take time to share some memories that I had of him. My most fondest memory of him was his love for music, especially the classics like La Bamba and Under the Boardwalk. He could always liven up a family party and it was always gonna be a great time when Uncle Ronnie whipped out his guitar. He was also the first person to give me guitar lessons. I also remember when grandma used to babysit me when I was younger, I would go next door to visit every day and be greeted by Uncle Ronnie shouting "Alejandro!" or "Hey Mijo" He always made me feel welcome there and I used to love watching movies from his and Aunt Patsy's huge VHS collection. I have other great memories like watching the Delahoya and Tyson fights with him and taking a ride in his white Cadillac he used to have. I hope everyone that knew Uncle Ronnie is able to find comfort in the memories they have of him and know that he is with grandma now. Our thoughts and prayers are with Aunt Patsy and my cousin's Ronnie, Vangie, Artie, and Eva. We love you and are here for you if you need anything. Love, Alex, Aly, Camila and Ruby

So many memories with Ronnie. The park in Coronado when we had to "chaperone" your dates! Hehehe.... All the songs we sang together at church. Thank you partner! You always had encouraging words. Donald Duck quack! You made us all laugh. Your smile will stay with us forever! I will miss you. Take care of Mom 🙏💙 Love, "Ogie" 😊

Ronnie was like a big brother growing up in Linda Vista. He was there when needed to protect and give advice. I remember when he and Patsy first started dating. Memorable times. Ronnie will always be remembered for his good heart, his great softball pitching skills, his good voice and great guitar playing. So sad for us to lose him but comforting knowing he has been welcomed by God. Peace to the Trujillo Family. Sandy Cesena
