To the family and friends of Jimmy. My new is Dorian Schilling and from 1982 to 1992 I lived next door to Jimmy in Baypark (community in San Diego). Jimmy was the nicest neighbor, always kind and helpful and funny. After I moved to the community of Clairemont a few miles away we didn't see each other for a long time until a couple of years ago he surprised me at my door! We were able to have a nice visit and to catch up. He shared pictures of his wife and son and I was so happy for him! I'm forever grateful to him for taking that initiative. He was a wonderful person. My husband and I send our deepest sorrow and our condolences for your loss.
