Dorothy Ann Libby

JUL 28, 1938 - NOV 8, 2020

My mom was someone that knew how to lighten up a room when she entered. A woman who could show compassion and be assertive at the same time. A lady that always had time to listen to my day, a best friend, she always made time to lend an ear or help me figure out an issue or just have a laugh at the end of a day. If it wasn't for her I know that I would not be the man that I am today. Her pastimes that she enjoyed the most were her grandkids and cooking and painting, but I know one of her favorite things later in life was Thursdays with me going to the Big Three. It was a day we both went out together and spend time having lunch and watching what new and interesting things she could find at the stores. Her love of the holiday season from food, family and presents is what drives me to look for that extra special gift for everyone each year to put a smile on their faces knowing that they probably really didn't expect to find that gift under the tree. She is survived by her son Harry B.C. Libby, daughter in law Jennifer A. Libby and two granddaughters Rachel K.B.A.N. Libby and Amber R.M.L. Libby and of course Taquito the dog. As they say who chose who I'm still not sure to this day. In my heart I hope she is with my dad and all of the family that she herself loved. She will be missed each and every day and a little bit of me died with her as well. I love you mom now and forever.

Mom it's another year without you. I miss you and everyone very much. It's been a challenging year without having your advise to help guide me. With the holiday season approaching I'll make you proud of what we do. I love you.

Dotty was a friend of mine who was a sweet person with a wonderful sense of humor. She always made me laugh. We met at an exercise class and then would chat on the phone. I loved having coffee with her and a side of Biscotti. She talked about her son Harry and granddaughters Rachel and Amber with much love. I will miss Dotty very much. Condolences to Harry, Jennifer, Rachel and Amber. You had the best Grandma.

Dorothy (Dotty) Libby was always ready to pitch in and help at our family gatherings, had a good sense of humor and a positive attitude in many of our past conversations. Over the years, we have received several thoughtful Christmas gift items from her. "Thanks you, we will miss your smiling face, Dotty." -Love, prayers, comfort and peace for all the Libby family!
