Mom, you are so missed! I can still see your face peaking around the pillow to see if I was there! I loved when you asked where I was and as long as the girls said I was in the kitchen you were at peace with that, I would go to the living room to show you I was still there but your eyes would be closed! Im so glad I was there to be a comfort to you in your last days, just like you were there for all of us when we were growing up! Love you so much. Give Jesus a kiss and a hug for me! We will see you soon!

Momma thank you for believing in me. It wasn't easy for you to raise 7 children, but you did, and we all thank you for that. You will be missed and always in my heart. I LOVE YOU FOR EVER. #6
