“ Uncle Claudes birthday is May 29th 1928. He would have been 89 yrs old. He lived a very full and productive life. He truly got to enjoy a lot of things and places. Many people got to enjoy his company and stories and of course his awesome voice. Loved him and I will miss him.

“ I'll always remember Chuck as a great Country singer with a very powerful voice. He was also a great story and joke teller. I took many trips with Chuck to various country music venues and there was never a dull moment. He must've known many hundreds of jokes and would recite one after another without stopping. He kept me in stitches. He was a kind and generous man and a great friend. I'll miss him very much.

Rest in peace, my friend.

“ Uncle Claude was an entertainer in every sense of the word. He could and did tell hundreds of jokes. He had an amazing voice and even at 88 could still sing. He will be sadly missed and indeed he has been a blessing to many people. He was born in May on the 29th day of 1928.
