“ Guuuuuurrrrrlll ... Damn it Jessica! You're gone so soon and so sudden, I'm still having a hard time with the reality that you're gone. You are an angel among angels with a spirit bigger than imaginable. I'm proud to call you my friend and I love you eternally. May you rest in paradise with every luxury you only dreamt of. Save me a seat beeeooooot-chhhaa

“ fDang Jessica "Chucky" I can't believe this is real. After how hard you were working on moving forward in life and working toward the ability to love your baby....that you are truly gone. It's not fair. You are so loving, a big heart maybe a lil twisted but we love you anyways....joking. Jessica I know you are in peace now but the pain is pretty intense. You are loved and extremely missed. Sleep with angels and thank you and your living family for allowing you to be part of my life for the short, way to short, time. You made a big impact in my life. Thank you and you are dearly missed girl!
With love Tracy

“ My deepest condolences to the Boyles family, may you find comfort in prayer and the beautiful words of Isaiah 25:8 where God promises us that He will soon eliminate all death and suffering.
