“ I am so sorry to hear about the passing of Gary. My heartfelt sympathy goes out to his family.  
My favorite memory of Gary was his sense of humor. He could always make me laugh.

“ My sincere condolences to the Brown family. Gary was a distant cousin of mine; but we shared some good times together in Naperville. Keeping his family in my thoughts and prayers. Rest in peace, Gary.

“ Gary was a much loved brother to my deceased wife Diane, they always got along well and respected each other, I sincerely hope they have been reunited somewhere outside of our world, Gary loved to kid around with the family and friends, he gave me a hard time when we were fishing and hunting, I always use to outfish him and he could not figure out why, I use to tell him that you have to spit on your bait first, we pheasant hunted together with his brothers Kenny and Randy in Nebraska and South Dakoto a few times, he use to call me Clutch Cargo because my lips would get chapped so bad that he said I looked like Clutch Cargo. Gary will be missed, rest in peace Gary.

“ Remembering the "good ol' days" at Western Electric. Basketball, softball, parties. I'm sure we got some work done somewhere in there! Rest in peace, ol pal.
