

June Dannenberg

May 25, 1926 - March 10, 2019

June (Weaver) Dannenberg

June passed away, Sunday, March 10, in her sleep, at the age of 92, in Escondido.

She was born Ethel June Weaver on May 25, 1926 to Elmer and Bertha Weaver in the small farming town of St James, Missouri. She was the eldest of six siblings. She moved to Escondido at age 16 and graduated from Escondido High School.

She worked in Accounting for Sears Roebuck and SDG&E, but it was when she went to work for O. Doyle Dannenberg as a Receptionist, that her life took a big turn. They married in 1971 and blended their families. Years later, she started two advertising specialty businesses, LeShore Calgift and Escondido Ad Market.

She received an Honorary Degree in Specialty Advertising, Distribution and Management from the University of Wisconsin in 1980.

She was active in Church, Business and her Community. She has been a leader in all. Some Associations include: Bethel Baptist Church (where she and Doyle were leaders and members for 40 years), First Christian Church, Escondido Business and Professional Women's Club (Past Vice President), Women's Auxiliaries of both the San Diego and CA Optometric Associations (Past President). She was a Toastmistress and tremendous supporter of the Escondido Rotary Club, where Doyle was known as Mr Rotary. She lead, taught or helped wherever she saw a need.

Where Doyle was, you would find June, nearby. Whenever possible, they were together. Doyle passed in 2006.

More than what she accomplished, what stood out about June, was her love for the Lord, her Family, her Church, her many Friends, and the list is endless, because she embodied love for everyone. Not just ordinary love, but the kind of Love that comes from Heaven. Children and animals received an extra helping, and with babies, she was off the charts! That love saw her through some very difficult years of memory loss. As she faced that overwhelming challenge, she never lost her positive spirit and continued to be loving to all. She was always trying to help others and sharing a hug and a smile with everyone.

Siblings, Eugene, Louise, Robert and Mary all preceded her in passing

She had two children who have previously passed away, Linda Sue Hartshorn in 1991 and James Robert Logan in 2013.

“ We met Grandpa Doyle and Nana June in January 1991 when we moved to Escondido. We became fast family friends. They both loved people. She loved her daughter and her family, and she loved Jim her son and their other children, grandchildren, and great-grandchildren. She loved so many people. We would go over to their home on Flora Vista every week. Sometimes four times a week. She was known at Bethel for her famous new members' dinners. She would cook so many entrees so that everyone in attendance could have whatever suited their fancy. No paper plates of course. The finest china and we would all eat in every crook and cranny of that house.

Nana became our children's Nana instantly. She loved them so much and spent a lot of time with them. Whenever they were home from college they would always ask to go to visit her.

When I was heading to deliver our son Tobi, Nana asked if she could watch our Princess for me. I said, no, but I need someone to watch Tobi when he is born so I could do BSF. She quickly said, yes, that was in 1992. I had Toye a couple of years later and she watched him too until both boys turned two respectfully. Grandpa Doyle and Nana would plan their trips around our children so they could watch them all. Nana loved people. Her roses were the best in town. She loved to entertain. She would make the most amazing rolls, and as many times as I tried to make them, they would never turn out the way she made them, She loved her siblings so much and would go to any length to cater to them. She loved to laugh and whenever I needed a listening ear she would listen and smile.

One of my fond memories of her was when she took all my kids and her great-grand-girls to La Jolla to see the sea lions. She was giving me a break. On their way back, they stopped at Thrifty's to get ice cream, Princess asked for Neapolitan ice cream, but she had never had that kind of ice cream before. Since she did not want to disappoint her Nana, she held on to the ice cream all the way from La Jolla to Escondido. Nana never got angry with her even with all the melted ice cream all over her car. Another memory I have is of when my precious Toye boy came home from the hospital after he was born. He weighed all of 5 pounds and 6 ounces. Every newborn clothing was very big on him. Nana came back shortly after she had said goodbye with a bagful of premie clothes for him. There were a lot of them because that is all he wore for the first year of his life. Her remark was," we can't have him in oversized clothes." I had never even heard of premie clothes at that time. It was a new thing way back then. I could write about a lot more wonderful things she did to

show how much she loved us but I will hold those memories close to my heart. The last time Princess and I saw Nana was a few weeks ago when she was starting to eat her lunch. She was sitting in the dining hall at Crest View Manor. Nana had the most winning smile to die for.

We will see her again soon.

We Love You, Nana!
