“ I'll always remember her smile that made you feel warm and welcome and loved. Kathy was generous and kind even in the hardest circumstances. She exhibited faith and grace in the way she lived her life. Love to Scott and Amanda who lost her much too soon.

“ I didn't get to know Kathy as well as I would of liked or looked forward too because she lived in California and I live in Virginia. But, somehow her beautiful daughter and my handsome son found each other and her love story will continue though them. Kathy will be missed by all who knew her, even if you only knew her a little.

“ I couldn't ask for a better mother. I'm so incredibly blessed to of had her! Unfortunately she was taken far too soon. I know she'll be looking down from heaven, she earned her spot up there. I love you, mama

“ Kathy was like my second mother, she treated me like if I was her other daughter. They're so many memories throughout the years. We had adventures no matter what, going to the river all the time or singing to songs in the car being silly together. But honestly I think one of my favorite memories of Kathy was at her daughters wedding. I've never seen her so happy in my life, her face was gleaming with so much happiness. Getting amanda ready and having Kathy there was more than I could ask for. When the wedding was about to start, Kathy asked if I could help her to her seat cause she couldn't walk in her shoes lol, we both giggled. I looked over at her and her face expressed so much love and happiness. She will forever be missed. Love you Kathy
