“ I'm going to miss you Uncle Bob! You had a way with words that nobody other than family would understand. Your dry sense of humor could be infectious, but..... only family will understand this! I will miss you greatly Uncle Bob! You are the only guy I knew who could bowl both right and left handed, taught me a lesson early in life about the hardship of money (the original Planet of the Apes movie where I spent too much and Dave couldn't get anything), how to eat Ham (gross at the time but I love it now), how not to pee on the toilet seat (I won't even go there!) and the greatest whistler of all time.... when Uncle Bob whistled, you had better be home in seconds (even if you were a mile away).

Uncle Bob, you were a man's man! I'm going to miss you.
